*Come have fun on the course and help us raise money for Children's Mercy Hospitals and Clinics! As one of the top children's hospitals in the country, CMH understands the unique needs of families when their child is ill. When it comes to caring for kids, they are committed to doing everything they can to make sure that your child has access to the best care possible. CMH ensures the children of our community and region - regardless of socioeconomic status - have equal access to the very best in pediatric health care.*

*Over the last three years the proceeds of the CTC Golf Classic have gone to fund the CMH Family Time Cart Program which truly makes a difference as it provides parents a "break" with a snack cart that travels from floor to floor. Through golfer registration, contests, and donations, CTC has been able to donate close to \$27,000 over the last 7 years. Help us continue to support a valuable asset in our community that is Children's Mercy Hospitals & Clinics!*
