7:50 pm Walk begins
9:00 pm Conclusion

WHAT IS LIGHT THE NIGHT?

Light The Night is an inspirational evening event benefiting The Leukemia & Lymphoma Society's (LLS) mission to cure blood cancers. Light The Night brings communities together to celebrate those who are fighting the disease and to honor those we have lost.

Each year friends, families and co-workers form teams to raise money in support of our mission. In the fall, these teams and their communities Light The Night at our walks where we gather together to celebrate, honor and remember those touched by cancer. This year we are also offering a virtual component!

HOW TO GET INVOLVED
